

SES PROVIDER

<p>ASCEND Tutoring Systems</p>	<p>ASCEND Tutoring Systems provides One-to-One, In-Home Instruction in Math or Reading/Language Arts to students in Grades K-8. Trained tutors assess students and build a unique Learning Plan that targets individual needs and sets the stage for improvement. ASCEND combines the advantages of Individual Instruction with the convenience of meeting in the student's home at times that work with family schedules Site In- Home</p>
<p>Abacus In-Home Tutoring</p>	<p>Abacus In-Home Tutoring, Inc. delivers the individualized instruction students need to meet their academic goals in reading and mathematics. Abacus specializes in working with all students in Kindergarten through twelfth grade, including students with disabilities and English language learners. Site: In-Home</p>
<p>BRAIN HURRICANE</p>	<p>BRAIN HURRICANE MAKES LEARNING FUN! Brain Hurricane's program is different because Brain Hurricane uses hands-on activities to teach both math and reading. We help improve student test scores and develop problem-solving skills for all, including students with disabilities and English Language Learners. Site TBD</p>
<p>NORTHWEST INDIANA EDUCATION SERVICE CENTER</p>	<p>Our tutoring sessions take place at your child's school and utilize research-based programming in both reading and math. An individual learning plan and monthly progress reporting are part of your child's programming. Certified teachers provide individual attention that yields proven academic growth and success. Site - School</p>
<p>URBAN PRODIGY</p>	<p>Urban Prodigy provides small/large group tutoring in addition to one-on-one in Reading/Language Arts, and Math for grades K-8. In addition to providing transportation to and from each session, Urban Prodigy will 1) provide students with 35-40 hours of instruction with each session lasting 2 hours at the Urban Prodigy facility, 2) pre-test students, and 3) develop Individual Learning Plans (ILP) that will be based on the students unique academic needs. Students in grades K-4 will use Continental Press Curriculum Materials while students in grades 5-8 will receive instruction through the computer based A+nywhere Learning System with tutors present to guide students through lessons.
